ROCKS' ROOTS
TRAIL RUNNERS ASSOCIATION

FIREFLY SUNRISE 10K COURSE

The sunrise 10K course runs on the north loop clockwise starting from the group camp area.

After leaving the group camp, the route will follow the first peninsula trail before joining the north loop trail at the Squatch aid station, located at roughly 1.5 miles.

The route will follow the north loop to the North aid station at roughly 2.75 miles before heading back south towards the finish.

On the return to the finish, the sunrise 10K route will bypass the peninsula trail and head directly to the finish.

Runners are to follow permanent trail markings, except where 10K specific signage is placed.
